1-IMBER News

IMBER/LOICZ Continental Margins Open Science Conference
17-21 September 2007, Shanghai, China

<https://www.confmanager.com/main.cfm?cid=792>

Call for Abstracts The deadline for submission of abstracts is June 1, 2007.

New IMBER endorsed Project

Role of eukaryote pico- and nanoplankton in the biogeochemical processes of the deep sea

Leader: Alexander B. Bochdansky (June 2005 - January 2008)

http://www.imber.info/pico_nanopk_deep_sea.html

The Oxygen on Argo Project

A white paper to promote the addition of oxygen sensors to the international Argo float program has been prepared and released by the IMBER/SOLAS Carbon Group and the authors are currently seeking comments from the wider community.

Download the white paper from the IOCCP webpage <http://www.ioccp.org>

IMBER Sponsored Activities

3-7 December 2007: La Paz, Mexico

1st CLIO TOP Symposium: Climate impacts on oceanic top predators

<https://www.confmanager.com/main.cfm?cid=722>

2-6 June 2008: Las Palmas de Gran Canaria, Canary Islands, Spain

Eastern boundary upwelling ecosystems: integrative and comparative approaches

<http://www.upwelling-symposium.org/>

The newsletter "IMBER update" n°6 has been published in March 2007. You will find the downloadable version at: <http://www.imber.info/newsletters.html>

2-Funding and collaborative opportunities

Repeat Hydrography Program: Participation at Sea

This program is currently seeking junior level scientists (Post-Docs, assistant level scientists) for participation

as co-chief scientists and graduate students for general participation.

More information about the cruises and the overall scientific program may be found at <http://ushydro.ucsd.edu/>

GEOTRACES invites SOLAS and IMBER scientists to participate in inter-calibration cruises. The US NSF anticipates funding two cruises to support the inter-calibration of sampling, sample handling, and analytical methods used to measure dissolved and particulate trace elements and their isotopes in seawater. <http://www.geotraces.org>

NSF Special Joint Solicitation for IPY proposals within Understanding Environmental Change in Polar Regions amongst other topics. <http://www.nsf.gov/od/opp/ipy/ipyinfo.jsp>

Call for IPY young climate researchers World Climate Research Programme website
http://wcrp.wmo.int/Special_IPY.html

3-Early Career Scientist Conferences/Summer Schools

11-15 June 2007: Castro Marina, Italy
ModObs: An Air-Sea Interaction Summer School
<http://modobs.le.isac.cnr.it/index.php>

24 June-14 July 2007: Bermuda, USA
Microbial Oceanography: The Biogeochemistry, Ecology and Genomics of Oceanic Microbial Ecosystems
<http://www.bbsr.edu/Education/summercourses/mo/mo.html>

25 June-3 August 2007: Hawaii, USA
Summer Course in Microbial Oceanography
<http://cmore.soest.hawaii.edu/agouron2007/index.htm>

25 June-17 August 2007: Irvine, California, USA
Undergraduate Summer Fellowship program in Climate and Biogeochemistry
<http://www.ess.uci.edu/%7Ejkmoores/ucireuhomepage.htm>

26-29 June 2007: Baltimore, Maryland, USA
Early Career Scientist Conference - New Frontiers in Marine Science
http://www.pices.int/meetings/international_symposia/2007_symposia/Young_scientists/newfrontiers.aspx

More Summer Schools at: http://www.imber.info/Education_and_Training.html

4-Jobs

Post-Doctoral Position Biogeochemistry/terrestrial carbon cycle - Ecology and Evolutionary Biology and Atmospheric and Oceanic Sciences (EEB/AOS) - Princeton University Princeton NJ (USA) - <http://www.imber.info/jobs.html>

Professional Research Assistant - The Cooperative Institute for Research in Environmental Sciences (CIRES) is seeking an Instrument Development Engineer, to be located in the National Oceanic and Atmospheric Administration's Earth System Research Laboratory (NOAA/ESRL) in Boulder, Colorado. <http://cires.colorado.edu/jobs/esrl-2.html>

Post-Doctoral Position - North Western Mediterranean Sea Regional-scale Modelling of Zooplankton imbedded in 3D pelagic ecosystem model to understand food web dynamics and regime shifts - Marseille (France).
<https://www2.cnrs.fr/DRH/post-docs07/?pid=1&action=view&id=781>

Postdoctoral Investigator - Marine Ecosystem and Global Carbon Cycle Modeling,
Woods Hole Oceanographic Institution.

<http://jobs.whoi.edu/cgi-bin/user/funcer?eng&l5&487>

More job opportunities at: <http://www.imber.info/jobs.html>

5-Publications

IPCC Working Group II Climate Change Impacts, Adaptation and Vulnerability
Summary for Policy Makers is out: <http://www.ipcc.ch/SPM6avr07.pdf>

Consultation on Maritime Policy

On 7 June 2006, the European Commission adopted a "Green Paper" on a Future
Maritime Policy for the European Union. A European vision for the oceans and
seas: Towards a future maritime policy for the union.

This is your chance to voice your opinion on the "Green Paper" and make your
ideas known.

http://ec.europa.eu/maritimeaffairs/policy_en.html

SPACC (Small Pelagic and Climate Change)

A GLOBEC-SPACC synthesis book entitled "Climate change and small pelagic fish",
edited by Dave Checkley, Claude Roy, Juergen Alheit and Yoshioki Oozeki is in
preparation with 16 papers summarising the knowledge accumulated during the
GLOBEC SPACC programme currently under review.

<http://web.pml.ac.uk/globec/structure/regional/spacc/spacc.htm>

Education and Public Outreach: A Guide for Scientists from the Oceanographic
Society

http://www.tos.org/epo_guide/index.html

6-New Web Sites

New Ocean Carbon and Biogeochemistry web site: <http://www.us-ocb.org>

New web site: APECS, The Association of Polar Early Career Scientists

<http://bioweb.biology.kent.edu/Polar/>

New mailing lists for the atmospheric and oceanic dynamics community

http://www.atmosocean.org/mailing_lists/

7-Meetings/Conferences/Workshops

1-3 May 2007: Chapel Hill, North Carolina, USA

BASIN workshop: Resolving the impact of climatic processes on ecosystems of the
North Atlantic basin and shelf seas

<http://www.globec.org/structure/imber/euroceans/basin/reg2.asp>

19-24 May 2007: Obergurgel, Austria

Ocean Controls in Abrupt Climate Changes / ESF Research Conference

<http://www.esf.org/activities/esf-conferences/details/confdetail221.html?conf=221>

22-25 May 2007: Acapulco, Mexico

The 2007 AGU Joint Assembly

<http://www.agu.org/meetings/ja07/>

28 May-1 June 2007: Hiroshima, Japan
4th International Zooplankton Production Symposium "Human and Climate forcing on zooplankton populations"
http://www.pices.int/meetings/international_symposia/2007_symposia/4th_Zooplankton/4th_Zoopl.aspx

4-8 June 2007: Kuressaare, Saaremaa, Estonia
5th Study Conference on BALTEX
<http://www.baltex-research.eu/conf2007>

27 June 2007: London, UK
Palaeo & Modern Perspectives on Global Change: a UK IGBP Meeting at the Royal Society.
<http://www.bridge.bris.ac.uk/palmope>

2-13 July 2007: Perugia, Italy
International Union of Geodesy and Geophysics (IUGG).
<http://www.iugg2007perugia.it/default.asp>

23-26 July 2007: Woods Hole, MA, USA
Ocean Carbon and Biogeochemistry (OCB) Summer 2007 Science Workshop.
<http://www.whoi.edu/sbl/liteSite.do?litesiteid=15174>

24-27 September 2007: Banyuls France
32nd Annual Meeting of the French Oceanographic Society -Where oceanography meets terrestrial ecology
<http://www.obs-banyuls.fr/UOF/>

More conferences at: http://www.imber.info/calendar_2007.html
