DANCORE YOUNG PROFESSIONALS DAY

Friday 17 April 2026, Copenhagen

On Friday 17 April, DANCORE will host its annual Young Professionals Day at the Department of Geosciences and Natural Resource Management, University of Copenhagen.

This annual event provides the platform for young researchers and professionals to present and discuss their work within coastal and marine research. It is hereby also a platform for disseminating and integrating new knowledge generated within Danish universities, research institutes, agencies and the private sector. We heartily encourage the agencies and the private sector to participate in order to meet and greet the new generation of researchers and professionals.

Participation is free of charge and includes tea and coffee. Lunch can be bought in the canteen or you may bring your own lunch.

Please register with the DANCORE office at office@dancore.dk by April 10.

Venue

Department of Geosciences and Natural Resource Management, University of Copenhagen, Geocenter Denmark, Øster Voldgade 10, 1350 Copenhagen K.

Further information on the programme will follow shortly.
